

Vasileios-Filippos Zembilas

City: *Thessaloniki*

Phone Number: +306946424932

E-mail: *vasilisfzembilas@gmail.com*

GitHub URL: github.com/Zembi

LinkedIn: *Vasileios-Filippos Zembilas*

Website: <https://vfzempilas.gr/>

Born on the 21th of October 1998

EDUCATION

2016 - 2022 Graduated with 7.53 from the Department of **Applied Informatics** at the **University of Macedonia**.

University Projects:

- **Java** – java tourism app(JavaHotel) with few actions for the user and the admin (github.com/Zembi/JAVAHOTEL). Though Java, I had the opportunity to interact and embrace Object-oriented programming which stimulated my interest of React in web development.
- **Web Development** – informative website about a famous athlete (github.com/Zembi/GiannisAnteWeb or hosted at <https://jannis34.eu/>). Furthermore, an abundance of more complex and sophisticated projects around web development. Resolved to follow this career path.
- **C** – first contact with software development and enhancing the logic of development through it (*Java too*)
- **SQL** – commands, structure and exercises in real databases
- **3dsMaxMinion** – created a minion(graphics and modelling) and record the process in stages files (drive.google.com/file/d/1cYGwFwBq1KFTKNbNP2aVUbaJDmmyQ-cg/view?usp=sharing)
- **Adobe** – editing programs as photoshop, premier pro and audition (drive.google.com/file/d/19vYP1_rQl8xLKQr5SLf_w8742syzod_l/view?usp=sharing)
- **Research** – crowdfunding topic, on business productivity and innovation (drive.google.com/drive/folders/1jE5uQEhNMtHTSYJ6oYDX_F4qfRu1CE8i?usp=sharing)
- **Stocks & cryptos** – observed and learned about indexes and digital portfolios with Finance Yahoo and Naftemporiki (non-profitable)

PROFESSIONAL EXPERIENCE

- **Web Developer** at KUKARIKA APPS OE **August 2023 - present**, **Full-Stack** contribution to most of the Projects I took part, either from scratch or with the CMS of Wordpress. Developing custom websites, custom themes and constantly looking for better and more optimized solutions than the ones that any plug-in offers.
- *Freelance 2019-2022*, Web development (Junior Front-end, Back-end though very simple projects and most of them for educational purposes)

SKILLS

PROGRAMMING EXPERIENCE

- **Java**(software development for apps, backend for web)
- **Javascript**(web development - using libraries like **GSAP** and **Kute.js** for the front-end, as well as working with **ExpressJS** for simple back-end support. In addition, many solutions to optimization problems had been resolved due to my custom Cookie code that I specifically wrote for KUKARIKA APPS OE, as well as the replacement of previously used plug-ins with better hardcoded solutions from me and my colleagues.)
- **PHP**(backend for web. Everyday interaction with it as a backend option to most of the projects. + **Laravel**)
- **SQL**(database contact and exchange data with web + phpmyadmin)
- **Html, Css (+SCSS)**
- **React**(simple projects with React. Investing in React, mostly for any future opportunities. I personally advocate that **ReactJS** and **Next.js** have the most potential to the world of Web Development, so I am more than open to any opportunities related to one of them)
- **React Native**(**Android** and **iOS** development, using **Expo** tool)
- **C#, Blender**(Unity Projects, modeling and understanding how Game Engines work)
- **Python**(simple introductive apps)
- **Wordpress**(due to KUKARIKA APPS OE, I had the opportunity to experience and learn a lot about the architecture of Wordpress.)

Developing beautiful and cross browser themes, Woocommerce websites and custom website builders, as well as optimizing them, were two of the most challenging tasks we had as a team. However, work ethic and belief are two of my most valuable traits and so we always achieve the desirable result.

+ **ACF PRO** was an important part of our toolset that I also learned a lot about.)

- *Personal experience with **GitHub**(most of my projects are up to my repository)*
- + *familiar with **FTP***

FOREIGN LANGUAGES

- English **C2** (*Michigan 2022-2023*)
- Currently studying German for **B1**

SOFT SKILLS

- Creativity, work ethic, dedication, adaptability, communication, teamwork, problem-solving, perfectionist, always trying my best to fit in, continuous learner, open-minded, inquiring mind.

MILITARY SERVICE

- **Fulfilled**, November 2021 – August 2022 Armored (ELDYK)

DRIVING LICENCE

- **B** category
- **A2** category
